

BuildNOLA
Small Business Training Program

BuildNOLA is a comprehensive training program that supports small businesses in construction and professional services. The program is designed to expand the City's pool of competitive and qualified bidders, and maximize contracting opportunities for Small and Disadvantaged Business Enterprises (DBEs).

Are you aware that most roadwork requires a licensed arborist to review the impact to trees in the right of way? Are you a landscaper or surveyor that needs to expand your business offerings?
